MAKING MYELOMA MATTER

CLINICAL TRIALS

QUESTIONS TO ASK YOUR HEALTH-CARE TEAM

1 | How will my daily life be affected by participating in this study?

2 | Can I talk to other people who are participating in the study?

3 | What are the possible short- and long-term benefits and risks?

4 | What other options do I have?

5 | How do the possible risks and benefits of this trial compare to those other options?

6 | What kinds of therapies, procedures and/or tests will I have during the trial? Will they hurt, and if so, for how long?

7 | Will I be able to take my regular medications while in the clinical trial?

CLINICAL TRIALS

QUESTIONS TO ASK YOUR HEALTH-CARE TEAM

8 | How do the tests in the study compare to those I would have outside of the trial?

9 | Where will I have my medical care and who will be in charge of my care?

HEALTH INSURANCE COVERAGE

10 | Will I have to pay for any part of the trial such as tests or the study drug? If so, what will the charges likely be?

11 | Will there be any travel costs that I need to consider while I am in the trial?

12 | What will my health insurance likely cover?

13 | Who can help answer any questions from the insurance company?
